Rotation #3: BreakThru
1:20-1:50 PM - Rec Time Competition
2:00-2:15 PM - Closing Cel
2:15-2:45 PM - Camper pick-up/dismissal activities

Programmed Activities Explanation

 **POIs:** These POINTS OF IMPACT are times for campers to engage in activities and hear the Gospel.

 **Morning Cel:** Our morning **celebration** is when we come together as a group to play mini games, worship, and compete in small group chant offs before heading out for the day.

 **Closing Cel:** During our closing **celebration**, campers will have one final chant off, watch our skit of the day, and worship together.

 **BreakThru:** This is a time for campers and their staffers to spend intentional time as a small group while playing games and doing activities like gaga ball, four square, making bracelets, and more.

POIs

Science Experiments (1£2):

Do you like science? Do you like figuring out how everything works? Have dreams of testing different hypotheses to find a resolution? Join us and become a mad scientist figuring out what God has created to explore!

Arts and Crafts (1£2):

Are you creative and artistic? Or do you want to inspire your creative side? Arts and Crafts is for you! No matter your skill level, it will be a fun afternoon of laughing and creating.

Fast Food (1£2):

Order up, junior chefs! Time to put on your apron and chef's hat as you cook up some yummy food! You can already smell the tasty food now!

Minute to Win It:

Do you like competitive games? Do you like working together as a team? Join us in these high-energy competitive games where you only have one minute to complete the task.

Dancing:

Move to the beat, groove to the rhythm – show everyone how it's done on the dance floor!

Be a Hero:

Are you the hero this town has been searching for? Put on your mask, pull up your bootstraps, and get your cape; it's time to save the day!

Archery (1£2):

Ready, Aim, Fire! Test your precision, hit the bullseye, and unleash your inner archer at our range!

Gel Blasters (1£2):

Step into the arena, ignite your courage, and blast your opponents to achieve victory. Put on your glasses as you attempt to outlast the opposing team in a miniature version of paintball.

Gaga Ball:

Gaga ball is dodgeball with less aces to dodge! This is a fun outdoor activity in which you use a ball to get the other team out, but it is all done within an octagon play pit.

Problem-Solving:

Can you build the tallest tower? Can you get past the dragon without waking him up? Can you use your imagination to beat the game? While it might sound easy, the solutions aren't always what meets the eyes.

Field Games:

Are you competitive? Looking for some exercise? Meet us on the field for some intense and friendly competition. Capture the Flag. Tails. Pool Noodle Hockey. Kickball. You name it, and we might play it.

*These are POIs that may be offered at the time of camp. POIs are subject to change.
Participants will make POI selection when they arrive at camp.*

FAQs

Can I watch Closing Cel?

You are more than welcome to watch Closing Cel from the back of the room. We want to ensure a safe dismissal, so we ask that you still pick up your child following dismissal protocol.

Can I drop my child off late/ pick up my child early?

You are more than welcome to pick up early or drop off late. We will always have a staffer at the main desk in order for you to drop off/pick up safely.

What do I do about food allergies?

When filling out your child's MRF (Medical Release Form), please indicate your child's allergy when asked. We will have a list of each allergy to insure your child's safety throughout the week.

What if it rains on Water Day?

We always seek to keep the schedule as normal as possible. If it is a light drizzle, we will continue to do water day. If there is inclement weather, we will try to move it to the following day.
