PIRATE PARTY

→ **MISSIONS OFFERING:**
MISSION TO THE MOUNTAINS

New For 2024

Pirate Party

Ahoy mateys! Sink your hooks into a grand night of fellowship at this year's Pirate Nite! We hope to see you dressed up in your coolest sailor's garb as we traverse the Seven Seas with our best and brightest crew. Though you best mind your manners - or you'll have to walk the plank! Arghhhhh!

Mission to the Mountains

Crossings' support of our eastern KY ministry partner continues this summer.

Every dollar given by our campers will go to:

"Campership" support to send kids from **Appalachia to Crossings Day Camps for Kids locations.**

We are praying that every camper will come prepared to participate in our missions offering.

Since Crossings began, we've given \$1,897,407 to global missions causes. We will give over the \$2,000,000 mark since 2000!

This summer just \$10.00 per camper will mean more than \$50,000 for scholarships to help kids from Appalachia come to Crossings Day Camps (gocrossings.org/camps). More information every night at camp!

FAQs

How Many Adult Leaders Should I Bring?

An important aspect in the ministry of Crossings is the relationships that students build with the adult leaders from their church. Crossings requests one adult for every five students (gender specific) in order to facilitate discipleship between students and adults that will extend beyond camp. As your students will be looking for guidance from the adults that come with your church, it is important that you bring adults who are at least 21 years old, maturing Christians, and can be examples to your students and lead them spiritually.

What Is the Camp Rate and What Do the Accommodations Look Like for Adult Leaders?

The camp rate is the same for both students and adults. Your adult leaders will stay in the same accommodation as their students overnight. During POIs and recreation activities, we encourage leaders to hang out with their students. They may even participate in activities after every student has had their chance.

Are There Laundry Facilities?

There are no laundry facilities available on property. Be sure to bring enough clothes for your entire stay.

May Adult Leaders Bring Their Young Children?

Crossings' facilities do not have accommodations for parents to bring children who are too young or too old to register as students or kids. Because of the nature of camp and the busy schedule, it would be impossible for an Adult Leader to provide appropriate supervision for both their child/children and their group's students.

Will I have Cell Phone Reception?

At Crossings, we pride ourselves on providing groups with a distraction-free environment. Therefore, cell service is very limited. We do provide Wi-Fi connectivity to adult chaperones only. This information will be provided upon arrival.

Is there a Camp Nurse?

There will not be a camp nurse. We provide basic First Aid supplies and a First Aid Coordinator. More serious injuries can visit the closest hospital for medical help.

How are food allergies handled?

If you have a member of your group with food allergies, please make sure this is noted on their Crossings Medical Release Form. Our staff will do everything we can to accommodate them and keep our kitchen staff aware of the student's needs. Please advise your student to find a member of the kitchen staff to discuss their options during mealtimes.

Visitors?

This year we will not allow visitors to camp. However, pastoral staff from your church is welcome to pay a visit with permission from the property where you are attending camp.

Can I bring my own golf cart?

No, outside golf carts are not allowed on the property. If someone in your group has limited mobility you can request rides from our property staff.

FunFangle

Full FunFangle details can be found on the GoCrossings website.

What is FunFangle?

FunFangle is a cashless spending account system that frees your camper from having to carry cash or a credit card around with him/her at camp. Funds can be deposited electronically before campers arrive at camp, and parents have access to see spending or even make additional deposits while the camper is away. Each camper is given a wristband that connects to his/her account, and only needs to scan the band at the register to make purchases.

Is FunFangle required?

No, FunFangle is optional. We take cash, credit/debit cards, and checks.

How do I activate my account?

You should, after completing your Crossings Participant Registration, receive an email with a link to access your account. If you did not receive the email within 24 hours, check your spam folder first. If you still don't see an email, you can go to <https://crossings.funfangle.camp> to set up an account. Make sure you use the same email address that you used to register your camper.

How do I reset my password?

At the bottom of the login screen, you can request a password recovery code. This will send the code to your email (check your spam). You will have one hour to return to the login screen to enter the code. Do not enter the code on the login screen. Rather, at the bottom of the screen go to the page "Enter Validation Code". Enter the code there and reset your password.

How do I make a deposit?

Log into your FunFangle account. Click on one of your campers, then click the blue "Deposit" button to the right. This will guide you to choose how much to deposit per camper, and how you want the funds handled at the end of the week. Funds deposited are available immediately to your camper.

Please make your initial deposit prior to your camper's arrival at camp. We cannot take initial deposits once your camper arrives at camp.

Does FunFangle take a fee out of my deposit?

We cover all processing fees. Your camper will receive the full amount of the deposit in their spending account.

Can another camper use my child's account?

The wristbands must be cut off once they are secured to the camper's wrist, so there is little chance of another camper using the wristband. We have the added security of photo identification. If you upload a photo in your Parent Portal, that photo pops up for confirmation whenever someone tries to spend from the account.

What if my child loses their wristband?

Your camper's money will be safe. They can be issued another wristband and the original wristbands will no longer be connected to your camper's account.

How does the spending limit work?

The spending limit per day on the purchase of snacks and drinks serves as a warning that the camper has reached his daily limit.

Can I transfer funds to another sibling at the end of the week?

Yes, you will have 48 hours to transfer to another sibling before the funds are processed for refund or donation.

Can someone other than the parent make a deposit?

Yes, inside your FunFangle account, navigate on the left hand menu to "Account" then "Contributors". From the contributors page, you can enter their information. The system will send them an invite to contribute to the campers you provide permissions for them to contribute to. Contributors cannot see how much money others have contributed to the camper or what camper may have purchased with others' money.

Do I have to set up an account for my camper to go to the store at camp?

No. Your child may use cash or credit for their purchases.

What happens to my camper's account balance at the end of camp?

When you make a deposit, you are asked if you want any remaining funds over \$5.00 to be refunded to you or donated to camp at the end of the camp session (Any balance under \$5.00 will automatically become a donation.) We process these refunds within 72 hours of the end of the session. It could take up to 5 business days for the funds to be deposited back into the account they were originally deposited from.

What if there's another problem?

If you have further trouble, you can contact FunFangle Support: support@funfangle.com
