# WHY CROSSINGS?

## The Next Generation is Searching for Truth.

We live in a culture where truth is often shaped by opinion and shifting values. Students are asking deep questions about identity, purpose, and meaning. At Crossings, our mission is to clearly communicate the message of Jesus — **that He came to seek and save the lost** — and to see lives transformed as people cross over from death to life (John 5:24).

### Distinctly Crossings

**GOSPEL INFUSED**

**BIBLE SATURATED**

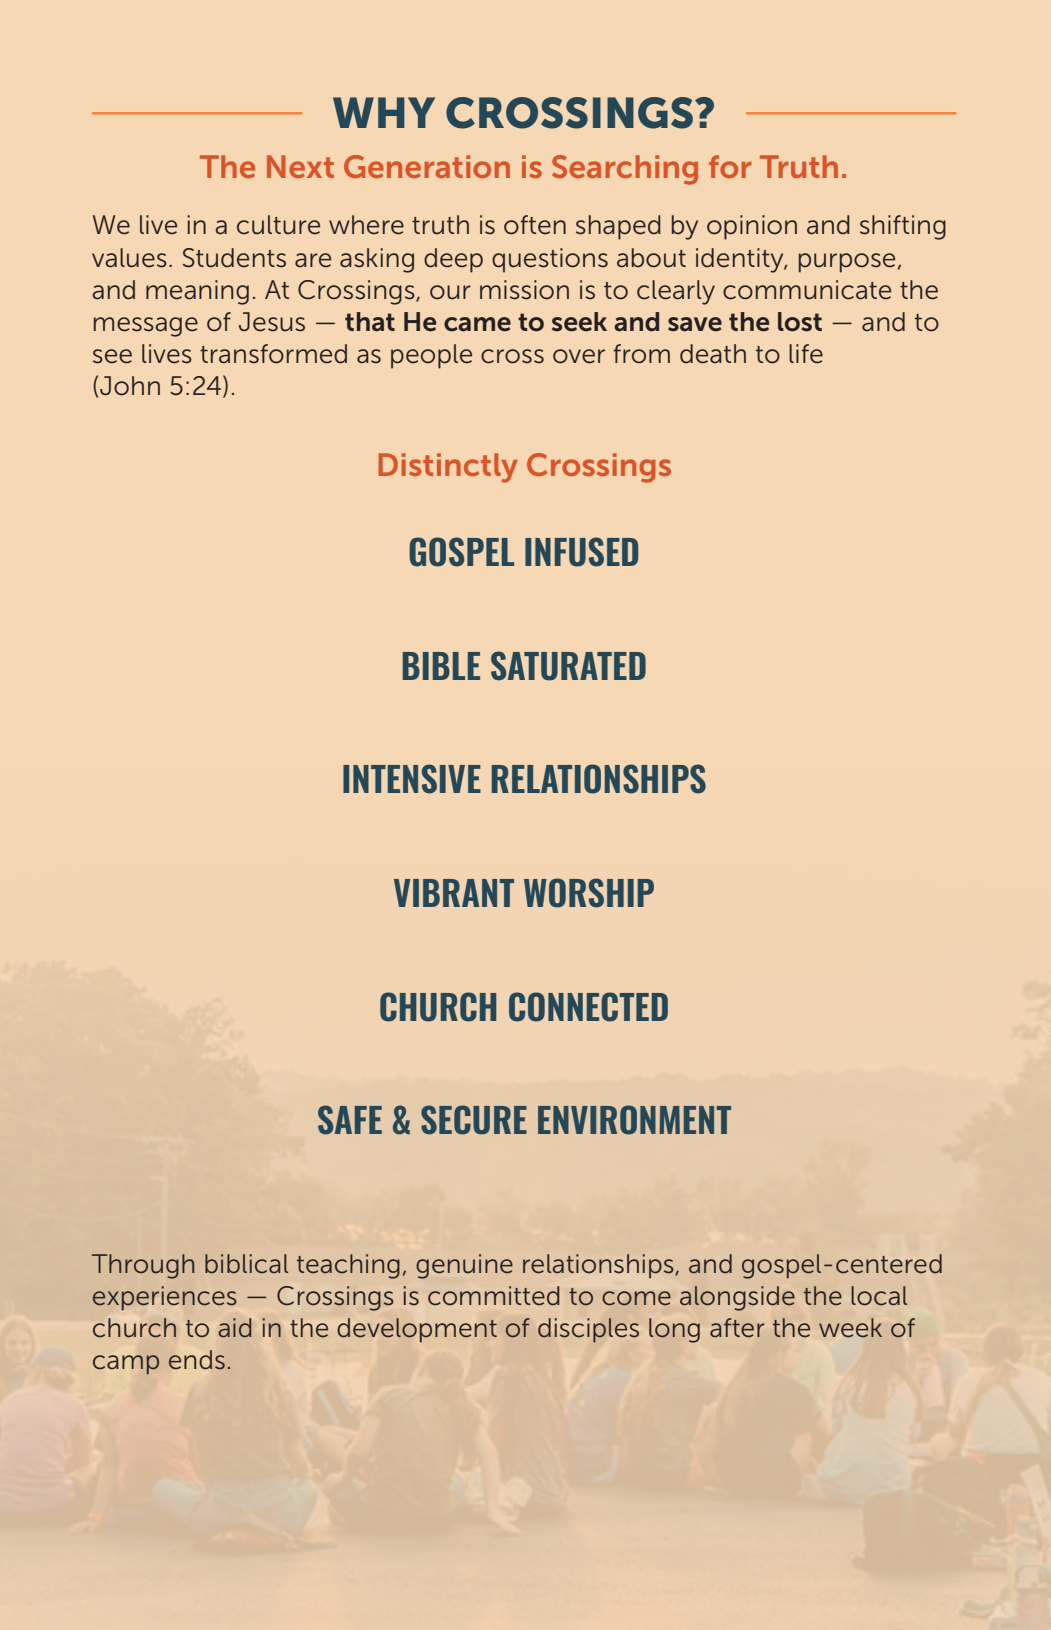

**INTENSIVE RELATIONSHIPS**

**VIBRANT WORSHIP**

**CHURCH CONNECTED**

**SAFE & SECURE ENVIRONMENT**

Through biblical teaching, genuine relationships, and gospel-centered experiences — Crossings is committed to come alongside the local church to aid in the development of disciples long after the week of camp ends.

# OUR FOUNDATION

## A Story of God's Faithfulness.

When Crossings began in 2000, 30 staffers served the 1,280 students who attended Crossings at the Creek that summer. Over the past 25+ years, as we've celebrated milestones like attendance surpassing 10,000 campers (2012), 10,000 professions of faith (2022), and over \$2M given to summer missions offerings (2022); one can't help but see God's faithfulness. God continues to work powerfully through this ministry, revealing His blessings in ways only He can.

## THE OPPORTUNITY

Over the past 20 years, Crossings has invested approximately **\$27 million** to improve and steward the resources God has entrusted to us — ensuring that churches return year after year to an excellent and distraction-free environment.

As we continue faithfully creating opportunities to proclaim the gospel, we're prayerfully seeking what God has ahead for Crossings. The need for partnership is growing, the opportunity is expanding, and the time is now. Would you consider joining in what the Lord has already begun and continues to do?

### Ways to Partner

#### TRANSFORMATIONAL GIFTS

Consider a lead gift toward a major capital project or include Crossings in your estate planning to create lasting gospel impact.

- New Lodges at Jonathan Creek and Cedarmore
- Boone Lodge Renovation

#### STRATEGIC GIVING OPTIONS

Cash gifts, appreciated stock, asset donations, and donor-advised fund or foundation gifts are welcomed.

#### ONGOING SUPPORT

Give weekly, monthly, or annually to sustain and strengthen the ministry.

Constructed in 1964, Boone Lodge allows Crossings to house over 5,700 guests each summer. As the ministry continues to grow, so do the needs of the spaces that support it. At the conclusion of summer 2026, a multiphase renovation of Boone Lodge will be taking place to ensure it will continue to serve campers and leaders for years to come.
